Date/Time Occurred: 07/27/15 @ 12:30pm

Officer(s) Involved: Ventura PD Patrol

Suspect(s): #1 Brook Pergson, 23 years, Ojai Resident
#2 Jorge Diaz, 25 years, Ojai Resident

Report #: 15-10013

Narrative:

On the above date and time, a Ventura Police Department patrol officer was on patrol when he saw a suspicious subject, later identified as Jorge Diaz, standing in the driveway of a residence in the 800 block of Poli St. The officer stopped and made contact with Diaz to see what he was doing. While the officer was speaking with Diaz, a second subject, later identified as Brook Pergson, exited the side yard of the same residence. Pergson was wearing a heavy jacket and socks that were covering his hands. The officer detained Pergson and found that he had property taken from inside the residence concealed under his jacket.

The investigation determined that Pergson had entered an open window in the back of the residence, while Diaz acted as a lookout.

The victim, who was not home at the time of the crime, was contacted and positively identified several items of property. There was additional property found in Pergson's possession, which was suspected to be additional stolen property from an unrelated crime.

Both Pergson and Diaz were arrested and booked into the Ventura County Jail for residential burglary, conspiracy and possession of drug paraphernalia.

The Ventura Police Department would like to remind residents to secure their homes by locking all doors and windows, and to immediately report any suspicious activity.
